Introducing the newest addition to our collection of modern furniture, the custom art deco inspired console table. Hand-crafted with precision and care in Canada, this console table is a true work of art. Made from the finest quality walnut wood, this table exudes elegance and sophistication. The rich, dark walnut color of the high gloss hand polished finish adds a touch of luxury to any space. Each piece of wood is carefully selected and crafted to perfection, ensuring a durable and long-lasting piece of furniture. The unique curved pedestal base of this console table adds a touch of art deco flair, making it a stand-out piece in any room. The smooth

and sleek lines of the base perfectly complement the bold and angular design of the table top, creating a harmonious balance of modern and art deco elements. This console table is not only a functional piece of furniture, but also a statement piece that adds character and style to any space. Its versatility allows it to be used in various areas of the home, from the entryway to the living room or even as a chic addition to a home office. Elevate your interior design with this custom modern console table, a showcase of exceptional craftsmanship and timeless design.
