Proudly made in the USA, crafted with the highest quality walnut woods. The table features unique curved corners and tapered legs that not only provide sturdy support, but also add a sleek and modern touch to the overall design. The step edge detail on the table top adds a subtle yet eye-catching element, showcasing the attention to detail put into creating this piece. The 2-tone finish is what truly sets this dining table apart. The satin dark walnut top exudes a warm and inviting feel, perfect for creating a cozy atmosphere for family

dinners or gatherings with friends. The black lacquered apron and legs add a bold contrast, giving the table a contemporary and stylish look. This combination of finishes adds depth and dimension to the overall design, making it a statement piece in any dining room. The functionality of this dining table doesn't stop there. It also includes 1 extension leaf, allowing you to easily accommodate extra guests and extend the table from 60” to 82”. This feature makes it ideal for hosting large dinner parties or holiday gatherings, without compromising on style or comfort.
