Introducing the newest addition to our furniture collection - the Modern Round Dining Table in Black Cerused Oak Finish. This stunning piece is proudly made in Canada, showcasing expert craftsmanship and attention to detail. The table is crafted from beautiful oak wood, known for its durability and natural beauty. The cerused finish adds a touch of sophistication, with tones of white highlighting the intricate woodgrains. This unique finish technique not only enhances the appearance of the wood, but also adds texture and depth to the overall design. One of the standout features of this dining table is its simplistic modern styling. The

round shape and pedestal base give it a sleek and contemporary look, perfect for any modern or minimalist home. This dining table is available in custom sizes and finishes upon request. This means you can have the perfect fit for your space and choose from a variety of finishes to match your existing decor. Whether you prefer a darker or lighter finish, our skilled craftsmen can create the perfect piece for you. The possibilities are endless with this customizable dining table.
