This sleek modern bench, crafted in the style of iconic mid-century designer Paul McCobb, embodies the refined simplicity and clean lines of 1970's American design. Its minimalist powdered-black metal legs create a crisp architectural profile, offering both strength and elegance. Newly upholstered in a luxurious textured cream fabric with a distinctive black undertone stitch, the bench balances subtle pattern with sophisticated tonal contrast. The result is a timeless, versatile piece that lends understated luxury to any interior.
