This stunning piece features unique arched legs that add a touch of elegance and sophistication to any room. The fluted brass stretcher adds a luxurious and timeless look, while the sabots and accents bring a subtle yet impactful detail to the overall design. The black back painted glass top not only adds a sleek and modern element, but also enhances the table's durability and functionality. The medium walnut brown finish showcases the beautiful and intricate wood grains, making each piece unique and one-of-a-kind. This console table is the perfect balance of traditional and modern, making it a versatile and timeless piece that

can seamlessly fit into any home decor. Whether placed in a traditional living room or a more modern space, this console table will add character and charm to any room.
