A sculptural vintage “Silhouette” side table designed by Andre Bus for Lane Furniture, circa 1960s, crafted in richly toned walnut with an inset original glass top. Gracefully curved supports sweep inward to meet at a subtle brass-tone centre accent, creating an airy architectural base that beautifully showcases the collection’s distinctive Mid-Century Modern design. Presented in excellent vintage condition, the walnut frame remains beautifully preserved while the original glass displays only minor surface wear consistent

with age.
