This exquisite vintage pedestal stand, designed by the renowned Italian designer Romeo Rega in the 1970s, is a perfect example of the modern styling and craftsmanship of the era. Meticulously crafted in Italy, this piece is a statement piece for any home. The unique combination of materials used gives this pedestal an unparalleled elegance. Its acrylic tubular frame is enhanced with brass accents, and its glass top and shelf provide a beautiful and practical surface for displaying your favorite art pieces. The timeless design and classic materials used make this piece an heirloom piece that will stay in your family for generations.
